

CERTIFICATE OF COMPLETION

This certificate is awarded to

Chowtoori Kedari

for successfully completing the Beginner Level Course in Web Technologies for SaaS
(SaaS 201) during Jan-June 2020.

During the course, the student built a Todo Management application using Rails, PostgreSQL, HTML, and CSS, and hosted it on the cloud using Heroku. As a part of the Capstone Project, the student built an online food ordering and point-of-sale system.
